**Dave Lowery** – professionally driven, family oriented and community based

I was born and raised in Winnipeg. I grew up in East Kildonan and spent most of my life there before moving into East St. Paul with my wife Cheryl and our children Jared and Jessica. We enjoy all that Winnipeg has to offer families. Jared is into hockey, skate boarding and snow boarding. Jessica dances, models and takes singing lessons. I have coached hockey and my wife and I are both active with community activities and fund raisers.

With more than 20 years invested in the real estate profession, I've experienced first hand the communities and the people who are the life of this city and its surrounding areas.

As a real estate agent, I do what I can to ease people's transitions into and out of homes every day. But it's up to every individual to become a part of the new community they enter. By investing in Winnipeg's communities, we turn houses into homes and turn people from the neighborhood into good friends."

### Best decision we made . . .

The process became more of a headache than anticipated, only because we were in a hurry to sell and didn’t want to hire just anyone to sell our house. Contacting the Dave Lowery Team was the best decision we made. Thanks.”*

*“I now know why it’s important to hire a professional to sell your home. Dave and Jim were so informative. I wish I had more houses for them to sell!”*
